<div>NONPOLITICAL BALLOT</div> <div> <b>Constitutional Amendment(s)</b>  The following amendment(s) to the State Constitution (is/are) submitted to the voters by the Legislature or by petition. The amendment(s) will not become effective unless approved by majority vote. </div> <div> <b>Constitutional Amendment K</b>  <b>Title:</b> An Amendment to Article VI of the South Dakota Constitution relating to the right of individuals to vote by secret ballot.  <b>Attorney General Explanation:</b> The proposed amendment to the Constitution would guarantee a right to vote by secret ballot to prevent others from knowing how a person voted. This right would apply to elections of public officers, adoption of initiated or referred measures, and elections to designate or authorize employee representation, such as elections concerning unions.  <input type="radio"/> <b>Yes</b> A vote "Yes" is for guaranteeing a right to vote by secret ballot.   <input type="radio"/> <b>No</b> A vote "No" is against the constitutional amendment. </div>		<div> <b>Initiated Measure(s)</b>  The following initiated measure(s) (was/were) proposed by petition for submission to the voters. The initiated measure(s) will not become effective unless approved by majority vote. </div> <div> <b>Initiated Measure 13</b>  <b>Title:</b> An Initiated Measure to authorize the possession, use and cultivation of marijuana by and for persons with specified debilitating medical conditions registered with the Department of Health.  <b>Attorney General Explanation:</b> The proposed initiated measure would change state law to legalize marijuana possession, use, distribution and cultivation by persons registered with the South Dakota Department of Health. These activities remain illegal under federal law.   Registration to use, possess and cultivate marijuana would require a certification from a physician that the registrant has a debilitating medical condition and that the potential benefits of the marijuana use would likely outweigh the health risks. Minors may be registered with parental consent. The registrant may designate another person to cultivate, possess, and distribute marijuana for the registrant's use. The designee must register with the Department and may provide only a limited amount of marijuana for a maximum of five registrants.   Schools, employers and landlords may not refuse to enroll, employ, or lease based upon marijuana registration unless required by federal law. The proposed law does not require that a registrant be allowed to use marijuana in a workplace or on property owned by another.  <input type="radio"/> <b>Yes</b> A vote "Yes" is for legalizing marijuana for registrants and designees.   <input type="radio"/> <b>No</b> A vote "No" is against the proposed law. </div>
